BEAUTY IN CHRIST

In August, as we celebrate women's month, we would like to extend love and care, in some small way, to abused women.

Girlfriends, our women's ministry, will be spending some time on Saturday 20 August putting together handbags for the Jes Foord Foundation (see <http://www.jff.org.za>) that collects handbags with different items in them to distribute to women who have been raped. You can get involved by coming to help pack items and by donating items, even if you aren't able to make it on 20 August.

**If you feel called to contribute items to this ground breaking, courageous initiative, especially during Women's Month please contact Jean or Deline for a detailed list.**

- Face Cloths
- Ladies underwear (med or large)
- Feminine products
