† 2 Chronicles 7:14

Our Father, Almighty Creator of Heaven and Earth, We glorify Your Holy Name. We honour You and acknowledge that You love us and are always with us. **Praise You Lord**

Father, we humbly pray for Your forgiveness in being discouraged as a nation, for not living as You have instructed. We have not honoured Your blessing of peace given to us in 1994.

**Father, heal our land**

We pray for a change of heart in our people. We pray for our leaders in government, business, education, communities and all families. We pray for justice, honesty and accountability. We pray for a halt to the abuse of men, women and children, for a halt to crime, corruption, violence, intimidation and alcohol and drug abuse. Please relieve poverty, HIV/AIDS and disease that affect so many. We ask for your protection of all people in South Africa, and for the wisdom and courage to stand up for what is right. Instill in us all a sense of community, integrity and compassion.

**Father, heal our land**

We pray that You will guide our nation to peace in all communities and to a better life for all. We thank You for the life we have in Christ and for the everlasting promise of hope, love, peace, forgiveness and healing.

**Father, heal our land**

In the name of Jesus Christ

**Amen**
